To

(Coorg State)

Sir,

(N) (X)

With reference to your letter No. F.1.4051-, dated the 5th July, 1956, on the subject of "Supply of Budget Estimates of the Coorg State for the year, 1956-57, free of cost and postage. I beg to draw once more your special kind attention to the privilege of receiving, so far the annual Budget(s) of the Central Government, the Government of Assam, the Government of Bihar, the Government of Orissa, the Government of Mysore, and the Government of Rajasthan, which reflected to a very large extention the financial resources.

Thanks to the encouraging response of the above mentioned governments to recount the main features of the results achieved.

It is enough to state broadly my view, that by means of only supply of one set of Budget publications of your State you will have to lay foundations for a more massive superstructure in building up your states economy.

Today I have also received the Gazette of India, Extraordinary in which "Government of India, Budgent of the Central Government for 1956-57, is published, so if there is any Gazette in your state in which the budget of the Coorg state for 1956-57 is published please send it by return of post.

[Please see page 2.]

This is a task of vital national interest but which there can be no two opinions and I hope that one set of the said budget estimate will be forthcoming freely from all. I therefore renew once again my anneal for greater effort to supply only one set of the budget estimates of your State.

Yours faithfully,
